

Selected Project Summaries by County Keystone Historic Preservation Grant: Construction Category

Allegheny County

Organization: Andrew Carnegie Free Library **Senate District** S042 **House District** H045

Grant Award: \$100,000.00

Since 2004, the ACFL&MH has gone from moribund to magical. Its acoustically superb Music Hall is the ACFL&MH's regional asset. Improvements to date – a welcoming lobby and box office, new dressing rooms, great seating – position the Hall as one of SWPA's outstanding venues, popular with audiences and performers alike. The ACFL&MH request a \$100,000 PHMC grant to restore the Hall's distinctive plaster work ravaged by water damage, to replace the stage floor and to return elegance by painting.

Organization: Borough of Thornburg

Senate District S037 **House District** H027

Grant Award: \$100,000.00

As part of a detailed Master Plan for the restoration of its historic Community Center, the Borough of Thornburg will replace 38 deteriorated single-glazed windows with energy efficient double-glazed replicas. This is a continuation of the borough's efforts to restore the building to full functionality, retaining historic features whenever possible while taking advantage of technology that will position the building to serve as the center of the community for the next 100 years.

Organization: St. Stanislaus Kostka

Senate District S043 **House District** H020

Grant Award: \$100,000.00

St. Stanislaus Kostka Church was founded in 1875 as the first ethnic Polish parish in the Diocese of Pittsburgh. Original Royal Bavarian Art Institute Munich stained glass windows have graced the church since 1892 and have survived over 100 years of extreme weather, floods, and even an explosion. The windows, while still beautiful, are in dire condition and in need of a full restoration. The scope of this phase of the project is to remove, repair and restore 9 historic stained-glass windows.

Beaver County

Organization: New Brighton Historical Society **Senate District** S047 **House District** H010

Grant Award: \$39,083.00

The Irish-Townsend House's front porch is in disrepair and suffers from numerous alterations, 25% of the original façade had been replaced badly, the remaining original façade is rotted out and pulling away from the house; coffered ceilings were replaced by wood decking; the original ionic columns were replaced with aluminum and the wood flooring was changed to concrete. It has been determined that this be the first construction project because of its high visibility to the town below the house.

Erie County

Organization: Girard Borough

Senate District S049 **House District** H017

Grant Award: \$6,375.00

Girard Borough requests funds to contract with Milano Stone & Restoration to clean and repair their Civil War monument, which stands at the center of town. The monument was dedicated on November 1, 1865 by famous showman Dan Rice, "In memory of the officers and soldiers from Erie County, Penn. who have died in defence of their country." The monument has regional and national significance as it was one of the first monuments in the country erected in tribute to those who served in the Civil War.

Organization: Friends of Camp Security

Senate District S048 **House District** H094

Grant Award: \$24,695.00

Camp Security is a prisoner-of-war camp established during the Revolutionary War and the only such camp to survive modern development. Although the location of the camp's stockade is unknown, recent research identified nine historic post holes and two wells. The Friends of Camp Security will conduct archaeological investigations to inform historic resource mitigation planning and allow the public to engage with this history in a tangible way.
