BUDGET REQUEST 2021-22

LIST OF CONTRACTS, GRANTS, AND INTERAGENCY AGREEMENTS

Reporting Method for Contracts, Grants, and Interagency Agreements:

The source of the information provided is SAP Business Warehouse, Legislative Hearing Package: Expenditures and Commitments by Appropriation. The report was adjusted to reflect only vendors who were awarded a contract/grant for which expenditures/commitments are supported with a procurement document, such as a purchase order, funds commitment, grant agreement, letter of agreement or contract. If more than one contract/grant was awarded in the same fiscal year to the same vendor, the total for all awards is reflected as one line item (Exception: Interagency Agreements).
