Specializing in Pennsylvania Historic Resource Survey Forms,  
National Register of Historic Places Nominations & Related Documentation

In order to assist property owners and others interested in documenting properties, the Pennsylvania Historic Preservation Office maintains a list of consultants, through open request, who research and prepare Historic Resource Survey Forms (HRSF), National Register Nomination Forms, and related documentation on a professional basis.

This list is provided as a service to individuals, organizations, and agencies. The Pennsylvania Historic Preservation Office does not attest to personal or corporate qualifications of these or any other consultants.

Consultants' experience and fees vary widely. We strongly recommend that you examine the qualifications and experience of several consultants, including recent examples of completed forms, before contracting for work.

Both sponsor of nominations and their consultants should be aware that the Historic Preservation Office processes HRSF submissions and National Register nominations on a priority basis. Please also be aware of current documentation requirements: **How to Complete the Pennsylvania Historic Resource Survey Form** and **Pennsylvania Guidelines for Completing the National Register Form**. It must also be understood that the Historic Preservation Office determines whether documentation of a property is sufficient for National Register evaluation and whether National Register Forms are adequate and complete according to current federal and state standards. It is not uncommon for the Historic Preservation Office to request additional information to assess nomination priority or complete an evaluation of a survey form. Also, National Register forms are often returned for revisions before they are scheduled for review by the Pennsylvania Historic Preservation Board. The Board typically meets three times a year (call or write for a schedule). National Register Forms should be received at least 120 days before the anticipated Board meeting date (60 days for revised / resubmitted nominations).

For those interested in being listed as a consultant, please contact Andrea MacDonald at:  
[amacdonald@pa.gov](mailto:amacdonald@pa.gov).

PHMC – Historic Preservation Office  
Commonwealth Keystone Building, 2<sup>nd</sup> Floor  
400 North Street  
Harrisburg, PA 17120-0093

**Please note:** Consultants who have successfully completed the Bureau for Historic Preservation's [Cultural Resources Essentials](#) series are acknowledged within each firm's profile.
