Overview

This section will outline the steps needed to submit information such as a Quarterly Status or Final Report, plans and specifications for review, or grant work products for an existing Keystone grant project using the Project Supplement wizard. You are NOT using this process to data enter any NEW projects into PA-SHARE.

The PA-SHARE system is available at https://share.phmc.pa.gov/pashare/landing. Step-by-step instructions for signing in to PA-SHARE, understanding the map, and other functions are available on the PA SHPO website at www.phmc.pa.gov/PA-SHARE/Pages/Help-Materials.aspx. The Frequently Asked Questions webpage at https://www.phmc.pa.gov/PA-SHARE/Pages/PA-SHARE-FAQ.aspx also has helpful information. Users are also encouraged to contact the PA-SHARE Help Desk at pashare@pa.gov with questions or problems.

Accessing the Project Supplement Wizard

There are two ways users can access the Project Supplement wizard:

From email link

Click the link sent to you in an email from PA-SHARE. To use this link, you must be listed as a project contact in PA-SHARE. We recommend signing in to PA-SHARE and having it open in your browser before clicking the link in email. This will automatically take you the Project Supplement wizard for your specific covenant project.

From PA-SHARE

You can also get to the Project Supplement screens through the Project Supplement wizard on the Submit home screen. Once you sign in to PA-SHARE, you will see the Home screen. To go to the Submit screen, click the “Submit” button at the top of the screen or click on the icon in the second blue tile in the left column.

From the Submit home screen, you can navigate to Project Supplement wizard by clicking “Project Supplement” from the gray navigation bar on the left side of the screen OR by clicking “VISIT” on the Project Supplement card.
This is how the Project Supplement Submission screen will look when it opens in PA-SHARE:

The email address you used to register for PA-SHARE will auto-populate in the Email Address field. The email address must be an existing project contact for the Keystone grant project you are searching for; if not, you will not be able to find the project and submit the additional information.
Enter the project number of Keystone grant project. This number will be the 11-digit PA-SHARE project number format of YYYYPR#####. Please contact Karen Arnold, kaarnold@pa.gov if the Project Number of the Keystone grant project cannot be found.

Once both fields are completed, click “Search”. Once the search is completed, the full Project Supplemental Submission Screen will open.
