

HOW TO USE THIS PLAN

This plan is for everyone:

- Students who want to know more about their communities
- Citizens dedicated to preserving a local landmark
- Municipal staff and local officials who have heard about “preservation tools” but are uncertain about what that means
- County planning offices interested in documenting historic places
- Elected leaders who make decisions that affect how their constituents live, work and play
- PHMC and PA SHPO to focus agency priorities and create work plans for PA SHPOs divisions and staff
- Agencies and organizations that struggle to allocate their financial and human resources and have a natural connection to historic preservation or a legal obligation to consider historic and archaeological resources in their work
- All Pennsylvanians who are interested in protecting, promoting and harnessing the opportunities provided by the commonwealth’s irreplaceable and characteristic buildings, landscapes, communities and archaeological sites.
