

# Pennsylvania State Archives

PENNSYLVANIA HISTORICAL AND MUSEUM COMMISSION

**Empowered History Grant: to apply complete this form and email it to: RA-PHARCHIVESGRANTS@pa.gov**

## Project Information

What is the name of this project or activity?

Who is applying? (Provide the name of the individual, organization and/or partners)

How much funding are you applying for?

In the following sections answer the questions in just a few sentences.

**WHO:** Describe your community. (What is the relationship between you and the community? What is the community's relationship with Pennsylvania?)

**WHAT:** Describe the archive, historical materials, or stories this project will focus on. (Please describe the contents of the collection, who gathered it, and other important details.)

**WHY:** Describe how this grant will benefit your community and its history. Tell us why your history and these historical materials are compelling!

**HOW:** In no more than 4 sentences, describe how you will use grant funds to collect, preserve, and/or share your community's history.

**WHERE:** Identify the current location of the historical materials or where materials will be located once they are gathered. (Who is/will be the custodian of the materials? Who can access the materials and how?)

**WHO:** Describe the individual(s) doing the work. (What experience do they have in collecting, preserving, and sharing history? What, if any, relationship do they have with the community and/or historical materials?)

**HOW:** Describe how you and your community will continue to care for and provide access to these historical materials after the grant is complete.

**HOW:** Describe how you will promote this project and share it with your community?

**Additional Comments:**

Please feel free to send us additional documents along with this application that help tell us about your community, its history, and your project plans (photographs of materials, organization documents, letters of support, mission statement, project timeline, work plan, etc.). You may also use [the](#) field below to provide additional narrative, if necessary.
